The Mission Of Every Believer

To be an ambassador for King Jesus to whomever I come into contact with as they go about their day.

1 John 4:10

Defining Terms

“atoning sacrifice:” a payment that satisfies. A propitiation.

The Bible Teaches that Jesus is the payment that satisfies the justice of God.

1. God’s love for you is not based on your performance, but upon the Lords performance.
 - The Father is fully satisfied in Christ, therefore, He is satisfied in you.

Lifechanging Truth: I am loved.

2. I am sent on purpose for mission.

Mission Drift in the Church

- Began in the Middle Ages.
- Church began to be a place you went to.
- Church became about the professionals.
- Church became corrupt.

Let’s understand...the Church is a movement of loved and sent saints of God.

The Question: Are we a movement?

The word in the Bible for a Christ follower is a disciple.

Biblical Discipleship is not just what you learn but what you practice.

John 5:17

How Do I Do This?

- Grab a meal, or a coke, or a coffee.
- Daily get up, add value to someone for His glory, your good and their flourishing.
- Give them an invitation.
- Share your story...for His glory

Understand They Have Many Questions

- Intellectual doubter
- Disappointed doubter

Dear Jesus,

You are awesome! Thank you for loving me the way you do. And then sending me out as your disciple. Help me to see where you are working around me this week, give me the courage to join you.

In Jesus Name Amen.
