## Biblical Premise

Learning to think biblically about what's happening in Israel and what does it have to do with the end times.

- Everybody believes in an end times.

## The Question

What does God say about the end times?

## The Context

- We are witnessing a conflict that began over 4,000 years ago.
- This conflict is not about foreign policy but about biblical prophecy, theology and spiritual warfare
- God establishes a covenant with Abraham. The theme of the covenant is, I will be to you, even if you aren't what you should be to me.

## 3 Key Parts to the Abrahamic Covenant

- Promise of Land. This is Israel.
- Even in your old age, I will give you a son.
- From that lineage, I will bring the Messiah.

## Make No Mistake

- In that moment, a spiritual war broke out in the spiritual realm.

- Whatever God creates, Satan counterfeits. Whatever God builds, Satan seeks to destroy.

## Satan's Plan

- Take the land, destroy the lineage and set up an opposing Lord.

Genesis 16:12 -

"This man will be like a wild donkey. His hand will be against everyone, and everyone's hand will be against him; he will settle near all his relatives."

Galatians 1:8 -

"But even if we or an angel from heaven should preach to you a gospel contrary to what we have preached to you, a curse be on him."

*Ephesians 6 -*

*"...wrestle not against."*

In every generation some group has shown up to attempt to destroy the Jews.
