

This past week we began a new series, Let's Go!, as we discuss how believers can be the local church and live to bless. Pastor Chris built a theology of the local church from many passages of Scripture.

Discussion Questions:

1. Looking back at your notes, what encouraged or challenged you the most from the sermon?
2. What's the importance of the local church?
3. Why is the obsession over the "capital C" Church an issue?
4. Since discipleship and evangelism are God's plan for the local church, how can you play a part in this plan?
5. Pastor Chris gave a list of glory-focused church characteristics. Which of these characteristics stands out to you? How can you contribute to this vision?
6. What are some practical and tangible ways that you can live to bless others this upcoming week?
7. The challenge at the end of the sermon was to show up, build up, and show out. What does this mean, and how do you contribute?
8. What is one key takeaway you have retrieved from the sermon?
