Guide Booklet

# Preparing for Easter 40 Days of Prayer and Fasting

## Why

The leadership of Fellowship Church has decided to focus on a season of spiritual renewal for 2026 during our Easter season. We have recognized our need for surrendering to God in our personal lives, our church and our community. There are 40 days of Scripture reflections plus topics to pray about each day that you have decided to pray and fast.

## What

Historically, a period of time leading up to Easter was used as a time to prepare believers for the celebration of the resurrection of Jesus. A tradition of this season is giving something up for a period of time (like Jesus did for 40 days in the wilderness in Luke 4). By choosing to deny ourselves, we are daily reminded to consider the person of Jesus and our need for a relationship with Him, the sufferings of Jesus on our behalf and the hope His resurrection offers us.

## How

- This season will begin 40 days before Easter.
- The first day of this season begins Tuesday, February 24th. This day is traditionally a reminder of our sinfulness and mortality pointing towards the need for Jesus' sacrifice and resurrection.
- While some people choose to fast from some type of food, others choose to fast from things like a beverage, television, social media, a hobby, an attitude (complaining), something financial, excuses or gossip. Part of the purpose of a fast is to cultivate the spiritual fruit of self-control. Fasting or self-denial is purely voluntary during this season. If you choose to give something up, it's up to you whether you include Sundays as well.
- When you have a desire to do something that is off limits during the fast, use that as a prompt to spend time you would have spent in that activity praying or reading the Bible and focusing on your relationship with God.
- Each day has a prayer prompt for morning, mid-afternoon and evening to correlate with meal times, but they can be done throughout the day. In fact, you may want to fast and pray on your day and a few other days as well.

# A Letter for Prayer and Fasting

By Reid Petrie

Think of a moment when it felt like the veil between heaven and earth was thinned for you. When you could feel the Holy Spirit's presence as goosebumps prickled your arms. When Jesus seemed so near to you that you could almost touch Him. When God was real to you.

Prayer and fasting can bring us to that place. Repeatedly in the Bible, those two concepts are connected such as in Matthew 6 at the climax of Jesus' Sermon on the Mount. Warning against hypocrisy, Jesus instructs His disciples to pray privately and with an attitude of forgiveness, and to fast without boasting about it. In fact, He begins each section with the words, "And when you pray ... And when you fast." Jesus assumes that we will do these things regularly! But why? It's because prayer and fasting make Jesus real to us.

When we pray, we are acknowledging God's presence. We speak to Him as if He is there...because He is! And when we fast, we feel a physical longing for food that is no more than a shadow of the longing we should have for Jesus. No longer are those concepts of God's presence and wanting Him mere ideas: they are tangible realities when we pray and fast. We show our humble dependence upon God when we pray and fast. We just need to do it. A. W. Tozer wrote in his book, *The Purpose of Man*, "The key to prayer is simply praying." The same applies to fasting: the key to fasting is simply fasting.

So as we celebrate Jesus' resurrection this Easter morning, remember that Jesus is really alive. His Spirit really lives inside you. He really is returning. We have a real friend in Jesus, and what a privilege it is to carry everything to Him in prayer! Go to Him, show Him how much you depend on Him, and long for Him because Jesus is alive, and He is coming back again! Now we can truly join with John as he closed out the canon of Scripture and echo that holy prayer: "Come, Lord Jesus!"
